

**THE ROCKY
HORROR
PICTURE SHOW**

**A TIME WARP PARTY
FRIDAY THE 13TH**

Please join me for ***The Rocky Horror Picture Show - A Time Warp Party***

Friday the 13th (June 2008) **7pm** (midnight in Transylvania?)

hosted by the Balboa Performing Arts Theater Foundation. ""

This party will be held "***Over at the Frankenstein Place***" (aka The Pavilion) in the Balboa Village, just a block from the legendary Balboa Theater where this outrageous 1975 cult film played as an evergreen until the Theater's closing in 1992. Screenings of the film in Balboa have since become the thing of local legend - and of a yearning nostalgia for an era when such films shocked as much as they entertained. Funds raised by this event will support the re-opening of the beloved Balboa Theater as a multi-use performing arts and film center.

In the spirit of the film and its fabled history, ***The Rocky Horror Picture Show - A Time Warp Party***,

will reflect the adventurous nature of the film as well as the new spirit of our times. The film will be shown with newly enhanced picture and sound. Party guests will dine on the haute cuisine of the movie house, including an open bar for our sponsoring guests. And - true to the spirit of the film - each sponsoring guest will receive a packet of movie props and paraphernalia that will, quite literally, make them active participants in this before-its-time example of "interactive" media.

Sponsorships are available at the \$10,000, \$5,000, \$2,500 and \$1,000 levels (please see the enclosed Rate Card for unique sponsorship benefits). Your name and/or your company's logo will be prominently displayed on the evening's program and signage, while you and yours will enjoy reserved private lounge seating that will put you in the heart of the action.

And, of course, your generous contribution is tax deductible to the full extent of the law.

Sponsorships are going fast, so don't let ***The Sword of Damocles*** hang over your head for long. Make your
